

Welcome to Flight Reserves!

This tutorial will help you get started

First, you will need to register

- Registration does two things
 - Creates a user account
 - Creates an aircraft profile (if you are the first partner to join)
- Fortunately, it all happens on one screen with a few short questions

Free Web-Based Electronic Aircraft Scheduling

*"I am much more likely to take the opportunity to fly at short notice, because Flight Reserves makes it so easy to book the plane."

Do you and your partners wish you could be flying more? Have you wasted a perfect morning, afternoon, or evening because you didn't know your aircraft was available? Have you needed to contact all your partners at once, but not been able to? Have you looked into scheduling software but found it too expensive?

Flight Reserves can change all that.

With Flight Reserves you can

- See when the your aircraft is available
- Quickly make or delete reservations
- Keep track of flight reviews and medical dates
- Keep track of when maintenance is due
- Broadcast messages to your partners via email

To begin registering click the "Register" link on the Flight Reserves home page.
